

James Welling: The Mind on Fire (Hardback)

Filesize: 1.34 MB

Reviews

A very great ebook with perfect and lucid answers. It can be packed with wisdom and knowledge I found out this book from my dad and i encouraged this publication to learn.

PRESTEL, Germany, 2014. Hardback. Condition: New. Bilingual. Language: English . Brand New Book. A seminal figure in the Pictures Generation - a group of artists working in 1980s New York - James Welling is best known for his pioneering use of photography and for engaging questions about art and the nature of representation. This book focuses on a particularly fecund period in Welling's life, charting the works, influences and shifting ideas, that he has been pursuing ever since. Chronologically arranged, it features works from the 1970s and 1980s interspersed with never-before-seen watercolours, collages, notes, production stills, music, and other ephemera that provide insights into the working process of one of America's most innovative and significant photographers.
