The Book Of Acts There was a disciple name Peter And another name John They went into the temple Not only to praise God They were there to help the sick And also the lame When they came upon a man Who thought he will never walk again As they began to speak The man knew that they were wise He felt they were from Jesus The one that had already died But he had a special feeling That he could not explain But when he held there hands He knew that he would walk again He walked into the temple Leaping and praising God Giving praises to the Father The Father and the Son For just one ounce of faith The miracle was done Just believing in the Father His walk has just begun.
