Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the autobiography of a Victorian soldier of the 22nd Regiment (Cheshire Regiment) which was written for his children in the 1880s. This unique story written by a lowly Private and Bandsman was lost for nearly a century before being recently rediscovered. This truly fascinating story is now available for all to read and enjoy. Follow the story of a young Salford boy who joined the British Army and saw such far off exotic places as Malta, Mauritius and India. It is a story of romances, edge of your seat voyages, earthquakes, a somewhat arranged marriage to a native girl and many more adventures. The story has been kept to his spellings and phrases. This is an unique glimpse into the life of a mere Private in the Victorian British Army. It is also a story of a young boy living in poverty in Salford, enjoying riches abroad and then falling once again into poverty in the English railway town of Crewe.
