Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Little, Brown Company, United States, 2014. Paperback. Condition: New. Reissue. Language: English . Brand New Book. To everyone he s every played dice with, Mitch Corley seems like the luckiest guy around. But in truth, Corley s fast hands are the only gift fate s ever given him. He s never held down a steady job, and when it comes to women, his luck might just be the worst of all--his girlfriend and partner-in-crime Red would double-cross him in a heartbeat if she knew just how short on cash they really were. And if Red ever finds out about the wife Corley neglected to mention, there s a good chance that Corley might not survive the night. At first, Mitch was sure Texas would be the perfect place for him and Red to run their game--there are players in nearly every back room and side-street across the state and here, the pockets run just a little deeper. But Corley forgot about one thing: Texans don t forgive easily. And there s nothing they hate more than a cheater.
