QUANTITY DISCOUNTS FROM RISK AVERSE SELLERS (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is widely believed that larger customers in a market can secure lower prices than smaller customers. This book presents conditions under which risk averse sellers, who can distinguish larger customers from smaller customers, but who cannot observe customers valuations, have an incentive to offer lower prices to larger customers. The intuition is that a single customer that demands a specific quantity represents...
