Brand New Book ***** Print on Demand *****.*Includes pictures *Includes ancient accounts *Includes online resources and a bibliography for further reading Africa may have given rise to the first human beings, and Egypt probably gave rise to the first great civilizations, which continue to fascinate modern societies across the globe nearly 5,000 years later. From the Library and Lighthouse of Alexandria to the Great Pyramid at Giza, the Ancient Egyptians produced several wonders of the world, revolutionized architecture and construction, created some of the world s first systems of mathematics and medicine, and established language and art that spread across the known world. With world-famous leaders like King Tut and Cleopatra, it s no wonder that today s world has so many Egyptologists. To the ancient Egyptians, the gods and goddesses were all around them and could be seen daily in nature. Nearly every animal found in ancient Egypt, both domestic and wild, were associated with a god or goddess, which can be seen in Egyptian art where deities are often depicted with human bodies and animal heads. The Apis cult began early in Egyptian history and gradually rose...
