Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

God Is Your Soul Mate reveals how experiencing true love, world peace, and everlasting happiness can only be achieved when we live in harmony with love, a.k.a., the universe, creative intelligence, divine order, or God. Karen Louise Jackson shows us how cultivating self-love, self-acceptance, and self-forgiveness allow us to understand God's true and absolute love for us. This is the key to being able to truly love others. She shares spiritual practices to help us: Connect with God in others and in nature; Realize that true love was never something we needed find in another person; Recognize the illusions we hold on to that prevent us from experiencing love and peace; Tap into the creative intelligence of the universe for prosperous ideas and solutions to problems; Empower others with love, kindness, and compassion, and; Realize how our thoughts, words, and actions impact world peace. God Is Your Soul Mate is the culmination of personal and spiritual insights and experiences of the author. Jackson was inspired to write the book when the book title and cover came to her in a vision.
