Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt: There are, doubtless, instances in which a phrase is unconsciously reproduced by automatic memory, from an English poet. But I am less inclined than Mr Bradley to think that unconscious reminiscence is more common in Tennyson than in the poets generally. I have not closely examined Keats and Shelley, for example, to see how far they were influenced by unconscious memory. But Scott, confessedly, was apt to reproduce the phrases of others, and once unwittingly borrowed from a poem by the valet of one of his friends! I believe that many of the alleged borrowings in Tennyson are either no true parallels at all or are the unavoidable coincidences of expression which must inevitably occur. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
