Northstar Editions, United States, 2017. Paperback. Condition: New. Northstar Editions ed.. Language: English . Brand New Book ***** Print on Demand *****. Penwith, the southwest tip of Cornwall, is a land of mystery and magic, of prehistoric monuments, witchcraft and murder. When an American archaeological team stumbles upon the skeletal remains of a missing child beneath a Stone Age burial quoit, irascible CID Detective Sergeant Morgan Davies and her Scene of Crimes partner, Calum West, unearth a growing list of suspects. Within days, another body is discovered. Is the killer the mind-reading village witch-who has long been a suspect in the child's disappearance? Is it the drug-dealing partner of the child's heroin-addicted mother? Or is it someone even closer to the investigation? Just as Davies and West close in on their prime suspect, another child disappears.
