

Sexual Abuse of Power in the Black Church: Sexual Misconduct in the African American Churches (Paperback)

By Donald H Matthews Phd

WestBow Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book deals specifically with the topic of the sexual abuse of power in black churches. This problem has been estimated to be three times as prevalent in the black churches, yet scant attention has been brought to bear on this subject. This book is meant to provide a framework for understanding the problem for the purpose of preventing its occurrence in the context of the black church. It examines the history of sexual ethics in the black community as a means of understanding its deep-seated place in the life of the black churches. The book uses the narratives of black women and children who have been the primary victims of this abuse. It identifies the major social and psychological reasons why and how this abuse develops and continues. It is directed to pastors and leaders of the church who wish to put an end to this injustice that is largely born of ignorance and the adoption of a sexual ethic that is derived from slavery and its effects.
