Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.
Gabrial Milland and Aliana Landing met at the University of Mars, Candor Cliffs, in Dr. Panter s class in Planetary Sciences to become planet scouts for House Blackmon. The two of them had scouted on three planets so far: Vondalar, Brandywine and Pacifica. Pacifica was an anomaly for either House Blackmon or Blake Ltd. to invest in surveying for valuable metals: Pacifica was 87 percent ocean a world-spanning ocean surrounding a single, narrow, rugged chain of islands. House Shosan chartered a trip to the oceanic planet to help the two scouts build a small, open cedar-strip daysailer to teach the Canth team more of oceans, boats and cetaceans. They made exactly 3 day trips on the Western Ocean before being startled by what must be a plesiosaur! Gabe got them back into shallow water he hoped was too shallow for a 30-foot marine reptile to swim in.
