HEARTIFACT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Timmy Ashton (illustrator). Large Print. Language: English . Brand New Book ***** Print on Demand *****. Harper Kidd is a highly respected marine archaeologist. Yet, with the economy in a slump, he's trapped working in an oil company's exploration division. Now, at the ripe age of thirty, Harp is disgusted with his employer's damage to the undersea world he loves, tired of his ATM-card-filching ex, and tormented by beautiful dreams of an undersea lover. It's time for a change and when his best friend, Stick, pleads with him to assist on a deep-sea dig in the Mediterranean, he jumps at the chance. Harper's spirits are high when they discover the ruins of an ancient civilization, and soar to the heavens when they discover a statue of an ancient pelora, a mysterious hybrid creature said to mediate between the worlds of reality and fantasy-and the very lover who holds the starring role in his dreams. When the crew discovers the site is teeming with unexploded ordnance from the conflicts in the Middle East, and the excavation turns deadly, Harper must choose between saving his best friend and saving the pelora he's fallen in love with.
