Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Milkweed Editions, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Discovering Pig Magic follows the exploits of Mattie (or Miss M, or just M) and her friends Ariel and Nicki as they attempt to overcome the problems that plague their 13-year-old lives. After finding a book of spells, the three girls perform a ritual that will grant each the object of her desire. This requires that they each bury a special object. Ariel buries a tiny antique spoon; Nicki puts in a thumb-sized leather mother-and-child doll; and Miss M contributes a small ceramic pig with real gold inlays. When the magic starts to take effect, the girls longed-for wishes carry unintended, and unwelcome, consequences. Breaking the spell before something really bad happens becomes crucial, but doing so may be too much even for these resourceful friends. Julie Crabtree's wonderfully funny novel captures the everyday lives of three quirky, engaging girls, and shows that some wishes may be better left unfulfilled.
