Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

AuthorHouse. Hardcover. Book Condition: New. Hardcover. 120 pages. Dimensions: 9.1in. x 6.2in. x 0.8in. We each have to learn the lessons of the elders, and usually we do so the hard way; by having to go through the same phases of life that others who came before and tried to warn us about life. As a young, assistant professor I assumed I knew it all. I was going to work hard, do a lot of research, publish well, and meet my responsibilities as a teacher. Some where along this path I realized I was incomplete. I needed something more than the scientific method to guide my life. By now I was a father and deeply involved in my career. I did accept the Headship as I knew I could do it, and I knew it had to be done. Yet, the job is very hard, and is filled with lots of inter-personal conflicts with staff and faculty. I was glad to shed that role while I was young enough to have time to do some deep explorations of my life. I believe my first step in this direction began with a newly formed Unitarian Church in West Knoxville and with our minister, Dillman Sorrells. I next credit Carol Pearson for opening up an entire new area to me. I got her first book, contacted her, and joined her seminar titled Journey Guides. I was introduced to Carl Jung anew and in a form I had not encountered in my earlier studies. Pearson's use of archetypes was fascinating to me and I began to see how they worked in my life. By now I had begun to move out of the ego stage into the intermediate stage of the soul that later leads us to be archetype of the sage. I believe...
