AN EMPIRICAL EVALUATION OF FORENSIC ACCOUNTING

Samuel Folusho Johnson-Rokosu
An Empirical Evaluation of
Forensic Accounting

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Fraud and forensic accounting education is a necessity in very corrupt corporate & government institutions across the globe. Accounting educators have been pressured to make changes to the accounting curriculum and to include courses in forensic accounting. Fraud and corruption are gargantuan twin brothers that have limited the growth/infrastructure development of many nations and led many firms to the road of bankruptcy. Detecting fraud has become a high priority in the accounting..
