Crossbridge Books, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An amazing array of authentic personal testimonies, mostly in the form of letters, which express the thanks of people who have received miracles of Divine healing through the authors ministry in the name of Jesus. Brought together in the context of body, mind, emotions and spirit, against the background of where the healings took place. A vast range of illnesses and disabilities are included, ranging from relatively minor physical ailments to severe emotional, psychological or spiritual disorders - which disappeared by the power of God after prayer or an authoritative word in the name of Jesus. It would be virtually impossible for the reader to decide which of these was the greatest or most impressive miracle.
