Native American Christians, the sleeping giant of evangelism, are being called upon like never before, to be voices of healing, lead a Biblical awakening and a move of the Holy Spirit in the land. There is a heavenly calling for them to rise up as spiritual warriors into their place of leadership in the global Body of Christ. There is a forward momentum in this new Jesus Movement of forgiveness concerning the atrocities and broken treaties against their descendants. It s time for the U.S. Government to make a public apology to this present generation to foster healing in America. Nevertheless, First Nations Christian leadership is leading the way to forgive without an apology, in hopes of fostering healing for America the Beautiful. This book is about the power of God s Word in forgiveness and spiritual warfare. It s about the Native American Initiative to bring Biblical training to impact America, Israel and the indigenous tribes of the earth.
