Dimon gives it all to her readers. -New York Times Bestselling Author Jill Shalvis They say it takes a thief to catch a thief, and Harrison Tate is proof. Once a professional burglar, he now makes a lawful living tracking down stolen art. No one needs to know about his secret sideline, liberating artifacts acquired through underhanded methods. At least until one of those jobs sees him walking in on a murder. Gabrielle Wright has long been estranged from her wealthy family, but she didn't kill her sister. Trouble is, the only person who can prove it is the sexy, elusive criminal who shouldn't have been at the island estate on that terrible night. She's not expecting honor among thieves-or for their mutual attraction to spark into an intense inferno of desire. Under the guise of evaluating her family's art, Harris comes back to the estate hoping to clear Gabby's name. But returning to the scene of the crime has never been riskier, with their hearts and lives on the line.
