

Choosing and Using a Portable Air Conditioner (Paperback)

By MR Ken Wickliffe

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A portable air conditioner can provide relief from the heat when no other form of air conditioning is present. Portables can also provide a boost to your home's existing air conditioning by cooling rooms that are chronically too hot, and by selectively cooling individual rooms to save energy through reduced use of the main system. Portable air conditioners are also ideal in apartments, condos, and neighborhoods where property owners or homeowners associations prohibit the use of window air conditioners. But choosing a portable air conditioner is harder than selecting a window unit. Because portables do not cool in exactly the same way as window air conditioners, they need to be properly matched to the space that needs to be cooled. This booklet explains how to evaluate the features of a portable air conditioner, choose the best-designed unit for your situation, determine the correct BTU (cooling) capacity, install your unit for maximum effectiveness and the lowest energy use, and perform simple maintenance tasks that can prolong the life of your portable air conditioner. In addition, this booklet details situations in which portable air...
