A variety of people come to the island for an assortment of reasons. Our reason, aside from celebrating Reno s bachelor party, was to experience Margaritaville , not the bar - but that place in your mind or dreams where everything is perfect. The sun always shines, the people are always happy, there is no business talk and your worries simply drift away. Every day is a holiday and every meal is a feast. This is a place where you can escape. The sun energizes the soul, nighttime elevates the heartbeat, laughter fills the air, and you end up talking for hours with your friends you brought along or just met. You fall asleep to the sound of the sea quietly rushing in and out and awake to the sound of seagulls and the smell of sea salt. That s why we found ourselves walking down Duval Street that night. It was all present here, at least that is how we envisioned our journey to the Southern Zone. We were wrong.
