## NATIONAL PARKS OF COSTA RICA (HARDBACK)

Cornell University Press, United States, 2020. Hardback. Condition: New. Language: English . Brand New Book. The unique geography and climate of Costa Rica provide the small country with extraordinary biodiversity--North American and South American species of flora and fauna can be found side by side there, taking advantage of the serendipitous conditions. The government of Costa Rica has shown a strong commitment to preserving their natural bounty. It has expressed this wildlife conservation ethic by establishing a robust network of...
