

## Dream-Beauty-Psycho (Paperback)

By Todd Swift

Eyewear Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Poetry. DREAM-BEAUTY-PSYCHO is Todd Swift's latest trip to the world of desire and retro style, sometimes Lynchian in scope. Rhetorically wild at heart, these onrushing poems of religion, marriage, sex and phantasy establish Swift as one of the auteurs of contemporary English poetry. His 33-year oeuvre is now, more than anything, its own cinematic universe of replicated tropes, fetishes, words and allusions. This could be a psychobiography dreamt up by Freud. Over it all looms the year 2016: the deaths of Bowie and Cohen, and Trump's rise but the crowning achievement here may be the poems celebrating recent books by Denise Riley and Derek Mahon, who each create a bridge of eloquence.

*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*
