As soon as a baby is born to the world, the next vital thing for the baby to have in order to survive, grow and thrive is milk. As the baby grows up, his physical needs change and milk alone would not be enough to sustain him. He would need vegetables, fruits, meat and so on. The same thing goes for the spirit of a Christian. When a Christian is reborn in the spirit, his spirit needs sustenance to grow in the knowledge of God. This is why it is crucial for a believer to be able to meditate on and memorize the bible. This is what this book will teach you to do. Here s what you ll learn in this book: 1. Effective principles on how to successfully...
