Reviews

*A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).
(Santina Sanford)*

CRASH BANG WALLOP

Sceptre Hodder & Stoughton Mai 2017, 2017. Taschenbuch. Condition: Neu. Neuware - Published to mark the 30th anniversary of the financial revolution known as 'Big Bang', Crash Bang Wallop will tell the gripping story of how the changes introduced in the 1980s in the City of London transformed our world. Attitudes to money and the way we measure value and status were completely reshaped by Big Bang, and it had an extraordinary impact on politics, on style, on technology, on the class system, on questions of public ownership, and on the geography of London. Perhaps more than anything, Big Bang revolutionised the international markets, as the capital became a testing ground for financial globalisation, with huge repercussions for the global economy. The definitive insider's account of this critically important moment in modern history, Crash Bang Wallop will also explore what's next for global finance as it gets ready to undergo yet another revolution. 'Iain Martin tells it brilliantly, mixing fury-inducing narrative with an acute eye for the broader conclusion.' Observer 352 pp. Englisch.
