Brand New Book ***** Print on Demand *****.The possibility that you can Achieve Greatness in Project Leadership is in your hands. We live in a period of history when, for the first time, every professional goal is achievable. Nonetheless, on one hand everything is rapidly changing and on the other information overload can end up being a problem. On many occasions we really make an effort, but do not end up achieving what we would like. What would happen if you could remove everything that holds us back and obtain the best results possible in the field of project management? This is what David Romero teaches us to achieve. After it became apparent from a worldwide survey of thousands of project-management professionals that leadership abilities are the most important for four out of five of them, David has decided to share the five habits that determine a project s success. Knowing and applying the five tested habits is how you will achieve the best results and Your Maximum Potential. When you know them, you will be sure that the success of a project depends on your leadership. WHAT OTHERS...
