Stanley, The Millionaire Mind targets a population of millionaires who have accumulated substantial wealth and live in ways that openly demonstrate their affluence. Exploring the ideas, beliefs, and behaviours that enabled these millionaires to build and maintain their fortunes, Dr Thomas J Stanley provides a fascinating look at America's financial elite and how they got there. For example: * What were their school days like? * How did they respond to negative criticism? * What are the characteristics of the millionaire's spouse? * Is religion an important part of their lives?
