

The Dash -- The Other Side of Absolute Knowing (Paperback)

Filesize: 7.78 MB

Reviews

An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.

THE DASH -- THE OTHER SIDE OF ABSOLUTE KNOWING (PAPERBACK)

[DOWNLOAD](#)

MIT Press Ltd, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. An argument that what is usually dismissed as the mystical shell of Hegel's thought -- the concept of absolute knowledge -- is actually its most rational kernel. This book sets out from a counterintuitive premise: the mystical shell of Hegel's system proves to be its most rational kernel. Hegel's radicalism is located precisely at the point where his thought seems to regress most. Most current readings try to update Hegel's thought by pruning back his grandiose claims to absolute knowing. Comay and Ruda invert this deflationary gesture by inflating what seems to be most trivial: the absolute is grasped only in the minutiae of its most mundane appearances. Reading Hegel without presupposition, without eliminating anything in advance or making any decision about what is essential and what is inessential, what is living and what is dead, they explore his presentation of the absolute to the letter. The Dash is organized around a pair of seemingly innocuous details. Hegel punctuates strangely. He ends the *Phenomenology of Spirit* with a dash, and he begins the *Science of Logic* with a dash. This distinctive punctuation reveals an ambiguity at the heart of absolute knowing. The dash combines hesitation and acceleration. Its orientation is simultaneously retrospective and prospective. It both holds back and propels. It severs and connects. It demurs and insists. It interrupts and prolongs. It generates nonsequiturs and produces explanations. It leads in all directions: continuation, deviation, meaningless termination. This challenges every cliché about the Hegelian dialectic as a machine of uninterrupted teleological progress. The dialectical movement is, rather, structured by intermittency, interruption, hesitation, blockage, abruptness, and random, unpredictable change - a rhythm that displays all the vicissitudes of the Freudian drive.
