HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Alexander Denford, Baron Sedgwick, is a gentleman to be envied. He lives a rakish life of well-celebrated ease and contentment and has one person to thank for his perfectly ordered existence--his dearest wife, Emmaline. She never complains about his mistresses or his penchant for late nights out. His friends are envious, but they don t know the truth--Emmaline doesn t exist. But when he starts receiving bills from London for clothes, shoes, hats and a staggering amount of other female accoutrements, he realises something is decidedly amiss. Posing as Emmaline isn t a stretch for the newly arrived Lady Sedgwick, she s been conning gentry for years. But as the popular baron s wife, she now has the one thing that has eluded her--entree into London s inner circles. Against Alexander s better judgment, Emmaline is impossibly fixed in his life. And suddenly Emmaline is challenging him to be the husband she deserves.
