AS THE SUN TURNS BLACK

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 292 pages. REVIEWTheres so much to like about this novel. So often, a writer tries to pull off a stand-up interplay between joint protags - and fails. I expect the author has developed the two characters in his previous work (which I havent read). I like to dabble myself, and Im envious of how Mr Crowther has juxtaposed Matt and Nathan, a couple of dark horses who cannot help but become embroiled in the tangled webs of a more than shady collection of Mancunians - not that theyd have it any other way. - WriteIntoPrint. co. ukDESCRIPTIONFrom the very first page of As the Sun Turns Black, it is clear that something is very rotten in the city of Manchester. Two young girls are missing then one is found dead, covered in blood and swan-feathers. The murdered child turns out to be the daughter of Matt Spears friend, Eddie, who appeals to him to find the killer. Matt refuses to get involved hes having enough trouble trying to stabilize his business and keep his relationships alive. But then, the hated and heartless journalist, Garry Corless arrives back in town, prompting Matt to wonder whether the girl will be found dead or alive before the killer dubbed Red strikes again. Matt begins to make a series of terrifying connections to a string of murders reaching into the past; driving him into a tangled web of police corruption, violence, blackmail, sexual obsession and fraud. From the upper echelons of high finance to the gritty underbelly of the Lancashire shadows no one is safe.
