Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This is the very first book from Nick Spalding, the bestselling author of the smash hit romantic comedy *Love. . . From Both Sides* and its sequels *Love. . . And Sleepless Nights* and *Love. . . Under Different Skies*. Nick Spalding tried to write a book in 24 hours. Turns out that's impossible. . . it took 30! *Life. . . With No Breaks* is a unique, hilarious and heartfelt look at the modern world we live in, told by a master story-teller with much to say - and only a weekend to say it in. You'll laugh out loud reading Nick's odyssey of non-stop writing in a collection of anecdotes, asides and stories (admittedly featuring more fabrication and embellishment than a politician's expenses claim) - all dredged up from an over-stimulated brain functioning on caffeine, nicotine and the occasional chocolate biscuit. The book is a conversation with you, and with Nick you'll venture into the thorny topics of love, life, sex, horribly timed bowel movements and a deathly fear of sponges (among many other things). After you've read *Life. . . With No Breaks*, you may never look at the world the same way again! Reviews for Nick Spalding and *Life. . . With No Breaks*: Spalding made headlines last year when Amazon revealed he was one of their best-selling authors, selling over 400,000 copies on Kindle. It was obviously only a matter of time before someone snapped him up. *The Daily Mail*. Spalding is literally a comedy genius. *Chick Lit Reviews* and *NewsNick Spalding* managed to make me laugh until my sides hurt and I had tears running down my face. *Shazs Book Boudoir Blog* Absolutely...
