

Autoimmune Support: A Guide to Autoimmune Disease Healing with Medicinal Herbs, Remedies Diet to Prevent Treat Symptoms (Paperback)

By Carmen Reeves

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What is autoimmunity? Do you have an autoimmune disorder - or think you could have one? Haven't heard of autoimmunity yet? Soon you will, as it is one of the fastest-growing, largest categories of disease in the developed world. Autoimmune illnesses result from a confused immune system attacking the body's normal tissues, creating a grave modern health hazard: chronic inflammation. Rheumatoid arthritis, IBS, celiac disease, lupus, and over 80 more illnesses all have something in common: they are autoimmune in nature. Many of them become chronic even after years of unexplainable, hard-to-diagnose symptoms, about which most doctors receive hardly any education or training. The fact that these illnesses are autoimmune-based isn't even the biggest struggle: millions of people's autoimmune issues are ignored, overlooked, misdiagnosed, or not diagnosed at all! Sound familiar? Do you have one of these illnesses? Or even worse, are you experiencing some of the vague yet plaguing symptoms of autoimmune inflammation - such as unexplained fatigue, brain fog, weight gain, pain, swelling, and more - and you've found no solutions or support...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
