THE CHRIST FILES VIDEO STUDY: A SEARCH FOR THE REAL JESUS

ZONDERVAN, United States, 2011. DVD video. Condition: New. Language: English . Brand New Book. In The Christ Files, a four-session small group bible study, Bible scholar John Dickson examines the Christian faith through a historical look at the Christian faith and life of Jesus from both Scriptural and other non-Bible documentation. Unique among the world's religions, the central claims of Christianity concern not just timeless spiritual truths, but tangible historical events as well. Historian John Dickson examines Christianity's claims in the light of history, opening you and your group to a wealth of ancient sources and explaining how mainstream scholars - whether or not they claim Christian Faith personally - reach their conclusions about history's most influential figure, Jesus of Nazareth. In The Christ Files, Dickson skillfully highlights sources and historical methods used to study Christianity's assertions. He illustrates how historians assess the reliability of data, and provides an honest and informed perspective on where historical issues or clear-cut and where personal faith comes into play. The Christ Files will help you and your small group expand your understanding of early Christianity and the life of Jesus. This four-session video includes live teaching from John Dickson and is designed for use with the companion book (sold separately). Sessions include: 1. Gnostics and Romans 2. Jews and Christians 3. Lost Sources and Oral Traditions 4. Archaeologists and Artifacts.
